About Bermuda

Out here is closer than you think. Located in the Atlantic Ocean off North Carolina's coast, the island of Bermuda is just a two-hour nonstop flight from most eastern U.S. airports. Attracting adventure seekers, explorers, romantics and originals, Bermuda is where people, cultures and an alluring mystique swirl together, connecting visitors to a place far from everyday life. The island's legendary pink-sand beaches, frozen-in-time historic towns and pastel-coloured buildings stand out at first. But it's Bermuda's original, ever evolving take on island life that brings travellers out here again and again. The Bermuda experience is elegant, relaxed and genuinely warm, celebrating cultures, reveling in nature and staying open to whatever is around the bend. The 35th America's Cup, held in Bermuda in 2017, brought a fresh energy to the destination with new and redeveloped hotels, must-visit attractions and restaurants adding to the island spirit.
