

**SCOTTIE SCHEFFLER (-18)**

---

**Q. Scottie, strong finish, birdied the last couple holes, finish at 18. Your thoughts on how the day went?**

**SCOTTIE SCHEFFLER:** I struggled pretty badly most of the day. My swing felt really bad out there, but was able to hit some decent shots coming down the stretch and made a few birdies, so it was a good finish.

**Q. There's not a lot of scoreboards out there, but once you saw what Brendon was doing out there, it was kind of like, well, he's got a different game going?**

**SCOTTIE SCHEFFLER:** Yeah, it kind of made me feel a little bit better that I was struggling on the day because I didn't have much of a chance. Yeah, it's fun to see. He deserves to win and he's been playing great so far this season. Kept talking after every event, the scores weren't showing it, but he kept saying, you know, I feel I'm swinging good, I just need a hot putter. He was right, so we're happy for him.

**Q. What do you take from this week that you can build on?**

**SCOTTIE SCHEFFLER:** Yeah, you know, I had a good first round and then my swing really felt pretty bad the last three rounds and I was able to still shoot some good numbers. I stayed real patient, I had a good attitude all week, so definitely will take those going forward.
