

ROUND 3 QUICK QUOTES
November 11, 2023

MATTI SCHMID (-17)

Q. Excellent finish and good bounce-back after two bogeys with an eagle and a birdie. What did you like about today's round?

MATTI SCHMID: I kept the card pretty clean again. A bit of a shame, my first bogey of the tournament came on 12, but other than that, solid again tee to green and it was nice to finish eagle-birdie.

Q. You've played here before, you know it can get windy. Today was probably the windiest of the week, but more wind expected tomorrow. What's the key to navigating this course with those conditions?

MATTI SCHMID: I mean, the course is not too narrow, so if you keep it somewhere on or around the fairways and give yourself putts on most of the holes, then you can shoot a score, I think.

Q. Where are you feeling most confident in your game right now with some good finishes the past two events in the fall?

MATTI SCHMID: Yeah, everything's kind of working pretty solid right now, especially off the tee and iron play. If the putter works, I should shoot a good round.

Q. Down to the final two events this week and next week for the fall. What's the motivation? What would it mean to have a good finish?

MATTI SCHMID: Yeah, it's huge for me in my position. I think I'm 148 on the FedEx list right now. Yeah, need to keep doing my thing and need one more good finish.
