

**ROUND 4 QUICK QUOTES**  
**November 12, 2023**

**MATTI SCHMID (-21)**

---

**Q. In the final pairing on a Sunday, put yourself in contention, going for the win but ended up with a career best. What's just thoughts on the week?**

**MATTI SCHMID:** Yeah, awesome week for me. I know I moved inside the top-5 125 now, which was a huge goal for me this week, and next week I want to cap it off.

**Q. What are the big takeaways with just one week remaining next week, just to stay within that Top-125? Where are you feeling strongest in your game?**

**MATTI SCHMID:** You know, I've just been driving it really well, hitting my irons solid, my wedge game has improved a lot. Yeah, if we keep the putter going, I know I can always shoot a good score, which is good.

**Q. A while back in Spain, is that when you kind of gained some confidence?**

**MATTI SCHMID:** Yeah, you know, the week prior in Vegas I had a real good finish and then Spain was really, really good ball-striking-wise. Last week was solid, this week solid, so I just keep riding that wave.

**Q. Was it more nerves or excitement playing in that final grouping?**

**MATTI SCHMID:** Both, for sure. I mean, it was great to play with Camilo and Alex, two great guys. They played super well today as well and they made, Camilo especially, made a few long putts. No, I was happy and I know I can compete at this level.

**Q. Both Alex and Camilo, veteran players. Were there things, takeaways you could learn from playing with them?**

**MATTI SCHMID:** They were both very calm all day, didn't show any emotions. They put the pedal down when they needed to and played more conservative when they needed to. That's something I can definitely take away.
