

ROUND 1 QUICK QUOTES
November 14, 2024

JOSEPH BRAMLETT (-5)

Q. Joseph, nice playing today, eight birdies, tough to come by on a breezy day like today. What did you feel like your biggest strength was?

JOSEPH BRAMLETT: I did a lot well. I struck my irons really nicely, I rolled the ball really well and my caddie did a great job keeping me patient and focused. Yeah, a lot of things went well today.

Q. Speaking of focus, there was a 15-minute stretch there at the end where it was sunny, then gusting up to 40, rain coming in sideways and the sun came back out. How do you keep your focus throughout all that? How does that affect you?

JOSEPH BRAMLETT: We all saw the forecast at the beginning of the week and we know playing on an island, it can change really quick. My caddie and I had a running bet of how many times we would take the umbrella out, put it back. We turned out at seven through 18 holes, it was just one of those days.

Q. Almost every other hole there, getting his work in, good to have the umbrella out. Hey, I've been asking the guys do they have any plans on the island, have they gotten to explore at all, sun shining now. What's the rest of the day look like for you?

JOSEPH BRAMLETT: I'm going to put my feet up, we're going to get some good Indian food tonight, get some rest and get back to it tomorrow.
