

**ROUND 2 QUICK QUOTES**  
November 15, 2024

**KEVIN KISNER (-9)**

---

**Q. How does it feel? You're right there heading into the weekend?**

**KEVIN KISNER:** Well, obviously it's been a long stretch of bad golf, so it's good to see some things go in. It's an amazing formula, your average putts go in, your average shots work out, your good putts go in, your good shots really work out. It's been a fun couple days seeing some good stuff. I'm starting to feel better with a lot of the changes I've made. It's fun to see some putts go in. I made a couple chips, which has not been in the cards, so that's what happens when you play well.

**Q. Can you describe what it feels like to be back? The competitive juices got to be pumping inside, right?**

**KEVIN KISNER:** Yeah, when you feel comfortable over the shots and it's not blowing 40-miles-an-hour, it's a lot more fun. Today was a whole array of weather that we had. It was not nearly as difficult as yesterday, but at times it felt just as difficult. It was fun to get the juices going. It's fun to see the TV guys and radio guys actually show me instead of not -- instead of just saying hello and passing, so that was fun.

**Q. Talk about the weekend now, especially tomorrow. The weather could be -- looks like could be a factor.**

**KEVIN KISNER:** Oh, I think 100 percent the next two days the weather's going to be a factor. Even the locals are talking about it, so you know it's not going to be great. Just going to take a bunch of perseverance and patience. Got to basically just deal with it and hopefully I can deal with it better than others.

**Q. I have to ask you one football question. I mean, you've got to get in the hotel and watch the big game tomorrow night, right? It's the Georgia-Tennessee game from what I understand.**

**KEVIN KISNER:** This is the one time ever I like that TV wants us to be done early. I love TV in the fall wanting us to be done early. Heck yeah, it will be all the Dawgs making the cut watching the game together, for sure.

**Q. And it's a big one for Georgia.**

**KEVIN KISNER:** Yeah, we've got to have this one. It's a weird line, I don't know what to think about it. Georgia minus 9, 9 and a half, it's weird for me.
