

ROUND 4 QUICK QUOTES
November 17, 2024

ANDREW NOVAK (-16)

 **BUTTERFIELD
BERMUDA
CHAMPIONSHIP**

Q. Andrew, that was quite an up and down week weather-wise, game-wise, everything. I just heard you say wow. Just your takeaway from a good week?

ANDREW NOVAK: I played great this week, very happy about that. Score was close, you know. Rafa played great and I gave it a good shot today. It was so hard to make putts today. I've never -- so many short misses, stuff like that. Greens haven't been cut since Friday, it's blowing 30, two feet isn't even safe. Like it was so scary today.

Q. And it's probably too early to ask you this, but with a finish like this going to Sea Island where you just told me that you live, I would imagine you're going in with some pretty good feelings of confidence?

ANDREW NOVAK: Yeah, yeah, it's always nice playing a home event, I'll have a big crowd there. If I play like I did this week, I like my chances. I know that as good as anybody.
